Winter Gritting

Another four volunteers signed up, total number now 23!

Slow Down!

Traffic speed through Whitley has been reduced, thanks to the combined efforts of residents and organisations working together as part of the Southern Area Community Engagement Forum. District Councillor for the area, Gillian Ivey, is delighted with the results, "We've been campaigning for years to get the traffic to slow down and I think that by the Community Engagement Forum, Parish Council and Councillors working together, we have really been able to make a difference".
